

WAIVER, RELEASE AND INDEMNIFICATION

For Templar Order MC Dream Ride 8/25/18

I, the undersigned, do hereby waive and release Templar Order MC, its members, officers and event workers of said organization (collectively known as TOMCO) from any and all rights and claims for damages, which may relate to my involvement in this event.

I, understand that motorcycle events include some inherent risks. I further understand that there is no warrant, implied or otherwise. Accordingly, I expressly assume all risks involved in this activity.

I agree to assume all responsibility for, and to indemnify, defend and save harmless TOMCO from and against, any and all liabilities, judgments, claims, demands, loss, damages, destruction, injury, or death, which may occur or result from my involvement (and any minors accompanying me) in this event, including attorney fees and costs of TOMCO.

I make this WAIVER, RELEASE AND INDEMNIFICATION on behalf of myself and my personal representatives, heirs, assigns, and estate and any minor accompanying me. Whenever the name "TOMCO" is used, it is my intention that said name shall be construed to include the officers and members of TOMCO and all persons acting in concert with TOMCO in connection with the event, of which is the subject of this document.

I agree that my being allowed to participate in this event is full and adequate consideration, which binds me to the provisions of this WAIVER, RELEASE AND INDEMNIFICATION. Furthermore, my participation constitutes an acceptance of this document by TOMCO and myself.

I agree that any video or photos taken by me will be for my personal use only and will not be sold or used commercially. Any videos or photos taken or acquired by TOMCO or its representatives may be used by TOMCO.

I HAVE READ THE ABOVE STATEMENTS. No other representations (oral or otherwise) have been made apart from this document altering its meaning. Unless otherwise indicated, I certify that I am at least 18 years of age. If I am younger than that my legal guardian is signing for me.
